Information Commissioner Issues Decision 08/2022

Hamilton, Bermuda. On 24 March 2022, the Information Commissioner issued [Decision 08/2022, Bermuda Medical Council \(the Council\)](#). The Applicant had submitted a public access to information request (PATI request) to the Council seeking records relating to medical misconduct proceedings and an individual physician. The Information Commissioner found that the Council did not issue an internal review decision to the Applicant within the 6-week timeline set out in the PATI Act. However, during the Information Commissioner's independent review, the Council issued an internal review decision for the PATI request. As a result, the Information Commissioner does not require the Council to take any further action with respect to [Decision 08/2022](#).

[Decision 08/2022](#) is available on www.ico.bm.

Editor's Notes:

The ICO is an independent public office responsible for promoting the use of and overseeing compliance with the Public Access to Information (PATI) Act 2010. The PATI Act gives the public a right to access records held by public authorities, subject to listed exemptions and administrative grounds for denial of access. Individuals who are dissatisfied with the response of a public authority may seek a review by the Information Commissioner. The Information Commissioner shall investigate and the decisions by the Information Commissioner are legally binding.
